

Windhoek - Gaborone - Durban route effective 30 October 2016

Air Namibia

Carrying the spirit of Namibia

In existence since 1946 and head quartered in Windhoek, Air Namibia is the national airline of the Republic of Namibia. Our core service offerings are passenger and cargo air transport services, and ground handling services at Windhoek's Hosea Kutako International Airport. We are a member of IATA, and we are proud to be E-IOSA certified.

We offer flights connecting Namibia to cities in South Africa, Botswana, Zambia, Zimbabwe, Angola, as well as to Europe through Frankfurt in Germany. Our fleet of 10 aircraft comprises 2 x Airbus A330-200's; 4 x Airbus A319-100's and 4 x Embraer Regional Jets (ERJ 135's).

Effective 30 October 2016, we will introduce flights linking Windhoek to Gaborone, and Gaborone to Durban, as well as connecting Windhoek and Durban via Gaborone. This service will link these three cities, offering 4 flights per week on our Embraer ERJ 135 Jets.

Flights will be operated on Sundays, Mondays, Wednesdays and Fridays at the following departure and arrival times (all are local times);

We place a lot of emphasis in ensuring that our passengers are treated with the highest level of courtesy and respect, served with our warm Namibian hospitality. We treat our passengers as pampered guests from the moment they embark to the moment they disembark.

Air Namibia’s service offering is synonymous with Namibian hospitality. Highly trained and professional Pilots, Cabin Crew, and Ground personnel provide optimum assistance from beginning of your journey till you reach your destination.

Our in-flight service includes a variety of complimentary meals and beverages. We extend the courtesy to prepare special meals upon request, catering to your specific dietary or religious requirements. Requests must be made when booking, or be added to existing bookings at least 72 hours before planned date of departure.

Our free monthly in-flight magazine called Flamingo is available on all our flights. This magazine contains lively articles about Namibia, its people, tourist attractions. It also has Air Namibia news, flight schedules, fleet information and luggage allowance entitlements.

Complimentary and free baggage allowance of 23 kilograms is our added service offering, plus a carry-on bag which fits the defined dimensions and weight. We have one of the highest on-time performance records in our markets. Comfort is extended by the 31 inches seat pitch, as well as assistance and safety from our highly trained cockpit and cabin crew.

Safety is at the centre of everything we do, making sure we comply with all regulatory and environmental requirements and laws. We are committed to providing our stakeholders and passengers, the highest level of safety. Our entire fleet is serviced by some of the most advanced technical teams in the industry, with a safety record second to none.
